

Handout 1.20: Team Station Card Template

Team: _____ Station: _____ Date: _____ Family card: _____

Dish: _____ (from our \$40 plan)

Makes: 7 tasting portions

1. Ingredients and cost (station budget: \$20.00)

Every line has a size, a price, and a unit. FACS room pantry items (foil, cooking spray, salt, garlic powder, plates, forks, spoons, napkins, cups) are \$0 and marked “room.”

Item	Size	Price	Unit	How many	Cost

Total: \$_____ (must be \$20.00 or under) Under by: \$_____

Allergens in this dish (circle): wheat, dairy, egg, soy, peanuts, tree nuts, fish, shellfish, sesame, none

2. The room's rules (check every box or the card is not approved)

[] No knives; anything cut comes pre-cut, pre-shredded, or is torn or forked apart [] Pre-cooked meat only, reheated to 165 F, or no meat [] Stovetop and oven only; no frying [] The teacher opens the oven and drains the pasta; we call the teacher [] Cooking fits in 20 minutes (minute 5 to minute 25)

3. Steps (8 to 10, numbered, one action each)

1. Wash hands. _____
2. _____
3. _____
4. _____
5. _____

6. _____
7. _____
8. _____
9. _____
10. _____

4. Lab roles (the same eight roles as Labs 1 and 2; write a name in every role, and a job in every box)

Role	Name	Prep (0 to 5)	Cook (5 to 25)	Plate and eat (25 to 32)	Clean (32 to 40)
Station Manager (station ready, hands and fridge check, leads the clean and check, reports)					
Head Cook (the stovetop or the oven assembly, the thermometer, reads the card aloud)					
Second Cook (the second pot or the second sheet, knobs off)					
Prep Cook (sets out every ingredient and tool, opens and rinses)					
Helper Cook (helps the					

Prep Cook, washes as you go, floor and trash)					
Toppings Chief (cheese, sauce, salsa; surfaces; leftovers by the two- hour rule)					
Plate Builder (sets the table, plates seven portions, dishes)					
Time Keeper (calls time, calls the teacher, second set of eyes; at seven students, the Station Manager)					

5. The flowchart (a name in every block)

Minute	0 to 5	5 to 10	10 to 15	15 to 20	20 to 25	25 to 32	32 to 40
What happens	Wash hands, set out everything, set the table					Plate, sit, eat	Clean, station check, leftovers
Who							
Teacher needed?							

6. Safety reminders (write three for this dish)

1. _____

2. _____
3. _____

7. What does done look like?

The dish is done when: _____

The plate looks like: _____ (this is what the menu card will say)

The station is done when: surfaces sanitized, tools washed and put away, burners off and cool, sink empty, floor dry, leftovers in a labeled container in the refrigerator or in the trash by the two-hour rule.

8. Approval

Teacher: [] rules [] cost [] allergens [] steps fit 20 minutes Signed: _____ Date: _____

If not approved: the one fix needed: _____ Fallback card taken instead: _____

Back of the card: Lab self-assessment (fill after the station check on cook day; the same four rows as the lab rubric)

Row	Our score (1 to 4)	Evidence
1. The station card (approved on rules, cost, and steps; the card was right on cook day)		
2. Prepared, plated, and served in role (followed the card, plated as planned, on time, every role did its job, the Time Keeper called time)		
3. Our self-assessment and one change (honest scores, a change tied to a step and a role)		
Safety and sanitation (hands, surfaces, handles, 165 F, two-hour rule)		

If we cooked this again, we would _____ because _____.
