

## Handout 3.15: Fair Share Chart and Tradition Card

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Group: \_\_\_\_\_ Family card: \_\_\_\_\_

**Directions:** Part 1 is the list of jobs a home needs. Check your do now list against it. Part 2 is your made-up family card. The teacher tells your group which one to use. Part 3 is the fair-share chart. Every job gets a name. Every job that is not split equally gets a “why.” Part 4 is the tradition card. It is by choice. The exit card is at the bottom. The family on your card is made up. Nobody is asked what chores they do at home.

### Part 1: The jobs a home needs

| Daily                            | Weekly                                       | Background (easy to forget)          |
|----------------------------------|----------------------------------------------|--------------------------------------|
| Make meals                       | Laundry (wash, dry, fold, put away)          | Pay bills                            |
| Wash dishes                      | Clean the bathroom                           | Fix what breaks                      |
| Take out trash and recycling     | Vacuum or sweep                              | Make appointments (doctor, dentist)  |
| Feed and walk pets               | Grocery shopping                             | Keep the list of what is running out |
| Wipe the table and counters      | Change the sheets                            | Sign forms and check homework        |
| Put things away                  | Errands (pharmacy, returns)                  | Plan the week                        |
| Help a younger sibling get ready | Yard, plants, or the building's shared space | Drive or arrange rides               |

Star the jobs a 12 to 14 year old could do alone. Circle the jobs that need an adult.

Words in Spanish:

| English   | Spanish   |
|-----------|-----------|
| chore     | quehacer  |
| fair      | justo     |
| equal     | igual     |
| tradition | tradición |
| culture   | cultura   |

### Part 2: The family cards

**Family A (grade 6 support).** Four people. A parent who works days (home by 5:30, 3 hours free on weeknights, 8 on weekend days). A second parent who works days (same

hours). A 13 year old (school until 3, 2 hours free on weeknights, 6 on weekend days). An 8 year old (school until 3, 1 hour of jobs on weeknights at most, 2 on weekend days). No pets.

**Family B (everyone).** Five people. A parent who works days (home by 6, 2 hours free weeknights, 7 weekend days). A grandmother who lives with them and cannot lift or carry anything heavy but is home all day (4 hours weekdays, 4 weekend days). A 14 year old with practice Monday to Thursday until 5:30 (1 hour free on those nights, 3 on Friday, 6 on weekend days). A 12 year old (2 hours weeknights, 6 weekend days). A 4 year old (can put toys away and “help”; 30 minutes at most). One dog.

**Family C (grade 8 stretch).** Four people. A single parent who works nights (leaves at 9 p.m., home at 7 a.m., sleeps 8 a.m. to 3 p.m.; 3 hours free late afternoon, 6 on the two days off). A grandfather who lives with them and cannot lift (3 hours a day). A 14 year old with practice four days a week until 5:30 (1 hour those nights, 3 on the other weeknight, 6 weekend days). A 2 year old (no jobs). One cat.

### Part 3: The fair-share chart

Every job on the list gets a name from your family card. A child under 6 can only get “help” or “put toys away.” Nobody gets more jobs than their free hours allow. If a job is not split equally, write a “why” from the card (hours, age, or ability).

| Job                         | Who does it | How often | Why (if not equal) |
|-----------------------------|-------------|-----------|--------------------|
| Make meals (weeknights)     |             |           |                    |
| Make meals (weekends)       |             |           |                    |
| Wash dishes                 |             |           |                    |
| Trash and recycling         |             |           |                    |
| Pets                        |             |           |                    |
| Wipe table and counters     |             |           |                    |
| Put things away             |             |           |                    |
| Help the youngest get ready |             |           |                    |
| Laundry                     |             |           |                    |
| Clean the bathroom          |             |           |                    |
| Vacuum or sweep             |             |           |                    |
| Grocery shopping            |             |           |                    |

|                          |  |  |  |
|--------------------------|--|--|--|
| Change sheets            |  |  |  |
| Errands                  |  |  |  |
| Yard or shared space     |  |  |  |
| Pay bills                |  |  |  |
| Fix what breaks          |  |  |  |

Read one “not equal but fair” line to the class: \_\_\_\_\_

Stretch (Family C): What should the 14 year old NOT be asked to do, and why?

\_\_\_\_\_

Stretch: If the parent’s hours change to days, what changes on the chart?

#### Part 4: Culture and traditions

Culture is the way a group of people lives. A family teaches culture without a lesson plan. It shows in the food on the table, the language at home, what happens on a holiday, how you greet an elder, and what the family does on a Sunday. A tradition is something a family does the same way, again and again. It is one of the ways a family does “belong.”

One tradition from a show, a book, or a made-up family:

#### The tradition card (by choice)

Cut this out or copy it onto an index card. You may write a tradition from your own family, from a family you have seen, or one you would like to start. Nobody reads it aloud unless they want to. Your name is optional. The card goes on the unit wall and joins the Family Showcase in Lesson 3.18.

|                                  |
|----------------------------------|
| A family tradition I would share |
| The tradition:                   |
| When it happens:                 |

|                                    |
|------------------------------------|
| What it teaches or why it matters: |
| Keep, change, or pass on? Why?     |
| Name (optional):                   |
